the daughter of faith healing christians and the son of a tv evangelist are the stars of this lively cautionary tale about religion family faith and love i start my story with the day i first saw jesse pegler that was when my whole life first started changing sixteen year old opal ringer is the daughter of royal ringer the pentecostal leader of a motley flock of down on their luck believers jesse pegler is the son of brother pegler an evangelist for jesus the elder pegler is a flashy minister who appears regularly on television in his blue robes and gold tassels opal and jesse meet at a faith healing at the helping hand tabernacle church where opal s daddy preaches jesse with his soft eyes and sandy hair is a younger version of his older brother bud who ran away from the religious life and whom opal can t forget alternating between opal and jesse s perspectives what i really think of you follows two preachers kids as they make fascinating discoveries about their faith their families and themselves this ebook features an illustrated personal history of m e kerr including rare images from the author s collection

bubbling over with useful ideas independent hard wired to reality hype free and brutally honest business age practical down to earth advise of great value to would be entrepreneurs sir adrian cadbury i was hooked a really useful diy manual for success personnel today exhilaration fright bewilderment exultation career development international a complete toolkit for the ambitious entrepreneur success happiness and your first million within your grasp the citizen a gem of a book a source of ideas and inspiration to any manager professor richard teare oxford brookes university a good easy read i agree with everything philip vale durham university business school that depth of understanding entrepreneurial business which can only come from doing it baron prestoungrange co founder mcb university press recommended reading for any frustrated executive considering going it alone gulf business there are better ways to becoming a millionaire than trudging to your local store to buy a lottery ticket every week the fact is your chances are 14 million to one if you entered the lottery once every week then sure you can expect to win about once in every two hundred and seventy thousand years but still there are those who believe that if they sit and listen as number after number is called out on the tv that this will be their week their lucky break then there are those that know that they must do more than watch spinning balls to make their lives a success that in

order to do more to have more to become master of their own destiny they must change they must act and this book is for them enter richard dobbins and barrie o pettman two self made millionaires who reveal the secrets of their fantastic business achievements and personal fortunes what self made millionaires really think know and do does not rely on a mystical system flimsy hype or unbelievable get rich quick schemes instead it offers practical and realistic advice for turning your brilliant ideas into a money making business reality what self made millionaires really think know and do guides you from business idea to market acclaim you will discover the secrets of real business from thinking creatively and setting clear goals to negotiating skills leadership and liberating time management it is illustrated throughout with superb success stories and anecdotes from the authors remarkable careers dobbins and pettman provide a complete toolkit for the ambitious entrepreneur they provide proven methods for getting what you want in life success happiness and your first million it s not an easy walk in the park but if you are serious about dramatically changing your life it s all within your grasp and it s all in here

the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises

obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
