this book offers a fresh and innovative account of the history of environmentalism in the united states challenging the dominant narrative in the field in the widely held version of events the us environmental movement was born with the publication of rachel carson s silent spring in 1962 and was driven by the increased leisure and wealth of an educated middle class chad montrie s telling moves the origins of environmentalism much further back in time and attributes the growth of environmental awareness to working people and their families from the antebellum era to the end of the twentieth century ordinary americans have been at the forefront of organizing to save themselves and their communities from environmental harm this interpretation is nothing short of a substantial recasting of the past giving a more accurate picture of what happened when and why at the beginnings of the environmental movement

the abridged teaching edition of a people s history of the united states has made howard zinn s original text available specifically for classroom use with exercises and teaching materials to accompany each chapter this edition spans american beginnings reconstruction the civil war and through to the present with new chapters on the clinton presidency the 2000 elections and the war on terrorism

a social and cultural history of america beginning with the arrival of columbus in the bahamas in 1492 and continuing through the mid 1990s focusing on the human cost of the decisions made by politicians and businessmen and including discussion questions and suggested teaching techniques

an illuminating profile of the san francisco bay area and its regional and global influence as seen from the focal point of san francisco international airport sfo a people s history of sfo uses the history of san francisco international airport sfo to tell a multifaceted story of development encounter and power in the surrounding region from the eighteenth century to the present in lively engaging stories eric porter reveals sfo s unique role in the san francisco bay area s growth as a globally connected hub of commerce technology innovation and political economic and social influence starting with

the very land sfo was built on a people s history of sfo sees the airport as a microcosm of the forces at work in the bay area from its colonial history and early role in trade mining and agriculture to the economic growth social sanctuary and environmental transformations of the twentieth century in ways both material and symbolic small human acts have overlapped with evolving systems of power to create this bustling metropolis a people s history of sfo ends by addressing the climate crisis as sea levels rise and threaten sfo itself on the edge of san francisco bay

baseball is much more than the national pastime it has become an emblem of america itself from its initial popularity in the mid nineteenth century the game has reflected national values and beliefs and promoted what it means to be an american stories abound that illustrate baseball s significance in eradicating racial barriers bringing neighborhoods together building civic pride and creating on the field of play an instructive civics lesson for immigrants on the national character in a people s history of baseball mitchell nathanson probes the less well known but no less meaningful other side of baseball episodes not involving equality patriotism heroism and virtuous capitalism but power how it is obtained and how it perpetuates itself through the growth and development of baseball nathanson shows that if only we choose to look for it we can see the petty power struggles as well as the large and consequential ones that have likewise defined our nation by offering a fresh perspective on the firmly embedded tales of baseball as america a new and unexpected story emerges of both the game and what it represents exploring the founding of the national league nathanson focuses on the newer americans who sought club ownership to promote their own social status in the increasingly closed caste of nineteenth century america his perspective on the rise and public rebuke of the players association shows that these baseball events reflect both the collective spirit of working and middle class america in the mid twentieth century as well as the countervailing forces that sought to beat back this emerging movement that threatened the status quo and his take on baseball s racial integration that began with branch rickey s great experiment reveals the debilitating effects of the harsh double standard that resulted requiring a black player to have unimpeachable character merely to take the field in a major league game a standard no white player was required to meet told with passion and occasional outrage a people s history of baseball challenges the perspective of the well known deeply entrenched hyper patriotic stories of baseball and offers an incisive alternative history of america s much loved national pastime

since its original landmark publication in 1980 a people s history of the united states has been chronicling american history from the bottom up throwing out the official version of history taught in schools with its emphasis on great men in high places to focus on the street the home and the workplace

known for its lively clear prose as well as its scholarly research a people s history is the only volume to tell america s story from the point of view of and in the words of america s women factory workers african americans native americans the working poor and immigrant laborers as historian howard zinn shows many of our country s greatest battles the fights for a fair wage an eight hour workday child labor laws health and safety standards universal suffrage women s rights racial equality were carried out at the grassroots level against bloody resistance covering christopher columbus s arrival through president clinton s first term a people s history of the united states which was nominated for the american book award in 1981 features insightful analysis of the most important events in our history revised updated and featuring a new after word by the author this special twentieth anniversary edition continues zinn s important contribution to a complete and balanced understanding of american history
